The following case is but one of many occurring daily in Dillon. It is an easy matter to verify it. You cannot ask for better proof.

John Roberts, Dillon, says: "I am perfectly satisfied that Doan's Kidney Pills are all that is claimed of them and I am only too glad to give them my endorsement. My kidneys had been in a No. 1 shape until a few years ago and then I had a bad attack of kidney trouble. My back started to ache or pain me, making my work awfully hard. Sharp, digging pains would dart up and down my back. The kidney secretions were unnatural and showed that my kidneys needed immediate attention. I was in awful shape when I read of Doan's Kidney Pills in the local paper and decided to try them. I bought a supply of Doan's at the McLaurin Drug Co. and they certainly did good work in my case. A few boxes of Doan's Kidney Pills cured me of the trouble, and fixed me up in fine condition."

You Do More Work,

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 50c per bottle.
